**Re: Letter in Support of ORS Motion to Compel Discovery Responses
Docket Nos. 2017-305-E and 2017-370-E**

Dear Ms. Boyd:

On May 23, 2018, the Office of Regulatory Staff filed with the Public Service Commission of South Carolina a motion requesting the Commission issue an order compelling South Carolina Electric & Gas Company to answer discovery requests propounded by ORS. Speaker James H. "Jay" Lucas supports the ORS motion. For the parties and the citizens of the State of South Carolina to fully assess the important matters raised in these three dockets, Speaker Lucas respectfully requests the Commission compel SCE&G to provide sufficient responses to the questions posed. Given the significance of the subject matter of these dockets, the Commission should have *all* the information available to evaluate properly the evidence.

Sincerely,

Robert E. Tyson, Jr.
